### WHERE WILL THE BIG FIGHT BE?

The Sporting Men Generally Think It Will Occur in California.

Ely, Nev., Jan. 7.—If not in Salt Lake, then California or Ely, is Tex. Rickard's ultimatum. Tex. is managing the preliminary details for the holding of the big championship fight. Rick. says he thinks governor Spry will change his decision about not allowing the fight to be pulled off in Salt Lake. Governor Spry does not think so. The next best bet, Tex. says, is California with a long shot chance for Ely to cop the big scrap. Ely citizens have agreed to stand back of Rickard and guarantee him against any losses that might result from having the fight in Ely. Tex. says his home town has a chance yet.

It is generally conceded among sporting men, however, that California and San Francisco will land the big fight. This is the logical place for holding the fight and it now looks as if the deal were all but closed. Rickard says that the Utah law is based on the California law and that if the fight can be held in California it can be held in Utah. Governor Spry does not see it that way.

**OFFICIAL LAUNDRYMAN TO THE JUAREZ RACE TRACK.**  
"Chinatown, all off for the laundry." About every so often some bright race track man hollers that, just as the street car makes its last turn before reaching the jockey club pavilion. Just at that particular car turn stands a rambling adobe building, the laundry, tailor shop and domicile of one Man Lee. Now Lee is making all sorts of money through the advent of the race track. Any respectable tout has his collar done by Man Lee, and there is a reason. Man's is the nearest wash house.

Now Man Lee has hung out a sign, quoting in English, prices on pressing trousers, cleaning coats and all that. He is a man of business, with a good nose for trade.

**Cought in the Rain.**  
Then a cold and cough—let it run on—get pneumonia or consumption that's all. No matter how you get your cough don't neglect it—take Ballard's Horehound Syrup and you'll be over it in no time. The sure cure for coughs, colds, bronchitis and all pulmonary diseases in young and old. Sold by all druggists.

### WOLGAST GETS A CHANCE AT NELSON

Nelson Gets \$12,000 to Allow the Other Fellow a Chance at Him.

San Francisco, Cal., Jan. 7.—At last Wolgast is to have a fair chance at Bat. Nelson's wire-haired scalp, Sid Hester, after all his bluffing, has come across with an offer for the fight of the lightweight to be held in San Mateo county at a new arena Sid is planning to build. Wolgast accepted the terms offered him by wire and as Nelson is to get the big end of the purse, he will also accept. The fight is to be held on Washington's birthday, Feb. 22, and will be for 45 rounds. Nelson's share will be \$12,000, win, lose or draw. The referee is to be selected 15 days before the fight.

Wolgast made a good showing when he was in the ring and it is altogether too late spring and is confident of defeating the lightweight champion. The Nelson family of Hegewisch, Ill., has no such confidence. The battling boy has never been licked and it is altogether too late for anyone to start in to lick the Dane this late in the game, they say. Wolgast and his Milwaukee friends, including Tom Andrews, think that if Nelson is to be plucked Wolgast is the right party to do the plucking. Ad. is a strong, husky young chap, heady and clear eyed. He will give Nelson all he wants at 45 rounds, although the odds will be in favor of the Illinois author at this long range limit as distance fight is his forte, as "James" Corbett would say.

**TO STOP ORAL BETTING.**  
Albany, N. Y., Jan. 7.—Governor Charles Hughes in his message to the legislature has asked that an amendment be annexed to the anti-racing law making it a crime to practice bookmaking in the state, even though no bets are recorded. This is a direct blow at oral betting.

A big advance in meats but a special sale on them tomorrow at Ardoin's market. See ad on page 7 today.

**TO CONDUCT A MISSION AT ST. CLEMENT'S CHURCH.**  
Rev. Thomas Semmes, rector of St. Andrew's church, Richmond, Va., will conduct a mission at St. Clement's from January 23 to 30 inclusive. Rev. Henry Easter, the rector, has concluded arrangements for the service.

**STILL WORKING ON THE NORTHERN BOUNDARY.**  
Chambliss Case, However, Has Not Yet Come Up, Says the Mexican Government.

Mexico City, Mexico, Jan. 7.—It was stated at the foreign office this morning that the international boundary commission had taken up its work on the lower Rio Bravo last month, working from Rio Grande city down to the mouth. On the conclusion of their labors, which consist in surveying and mapping the new banks which the river continually cutting for itself, the commission will move to the upper river, where a similar work will be undertaken.

The commission consists of four Mexican and four American engineers headed by consulting engineer Estanislao Zavala for Mexico, and consulting engineer W. W. Follett for the United States. The work on the lower river should be completed in February, and on the upper river the commission will remain at work as long as the weather is favorable.

It was further stated that no further developments had taken place in the status of the Chambliss case, the land partially occupied by the city of El Paso, the possession of which is in friendly dispute between the two governments. It was further stated that it was not probable that any conclusion would be reached this year.

## DOUGLAS CLEANS UP ALL THE ASSOCIATION ROWLERS IN WIRE GAME

El Paso Wins From the Texas Teams, But Is Defeated by the Arizona Bowlers With Ease.

El Paso bowlers cleaned up in the Texas telegraph tournament again last night only to meet an ice cold Waterloo in a telegraph game with the Douglas Y. M. C. A. team. El Paso played Childress in the telegraph tournament, defeating the east Texas team by the total score of 2727 to 1951. This clinched El Paso's place at the top of the percentage column in the telegraph bowling.

But when the returns arrived from Douglas and Bisbee it was found that Douglas had rolled a total of 2840 pins in the wire game with El Paso. This was several hundred pins more than any of the Texas teams rolled and puts Douglas in a class by itself if there was no mistake made in the scores. Bisbee did not do so well as her neighbor in Cochise county, the Bisbee Y. M. C. A. team making but 2527 in the four cornered game by wire. This was better than any of the other teams in the Texas tournament rolled, however.

No tabulated scores were sent of the Douglas and Bisbee games, only the total scores being telegraphed. The scores made by the El Paso team against the three other teams, the results of the other tournament telegraph games were:

El Paso Y.M.C.A.	1	2	3	Total

## THE FAVORITES HAVE THEIR DAY AT RACE TRACK

Minnolette's Winning in the Sixth Race Was the Feature Event.

Favorites' day and freezing weather was the offering at the Juarez track Thursday. Three of the six races were won by the close money horses and in the sixth race the three favorites finished in correct position. This race was a costly one for the bookmakers, for the three winners were heavily played to win, place and show and it was up to the bookies to dig deep to pay their tickets on the final race of the day.

The sixth race was the feature one in the running as well as the betting. Minnolette went to the post a favorite at 13 to 5, got away good and finished in the lead. R. Q. Smith came with a terrific rush at the finish and Minnolette had to be shaken up and hard ridden to stall off the fast coming Smith horse. Landlord was far from ready and quit. Niblick went to the post on three legs and could not beat Buna for show position.
